JANUARY 28, 1843.

Read twice, and committed to a Committee of the Whole House to-morrow.

Mr. R. McCLELLAN, from the Committee on Patents, reported the following bill :

A BILL

For the relief of Samuel K. Jennings.

1 *Be it enacted by the Senate and House of Representatives*
2 *of the United States of America in Congress assembled, That*
3 the Commissioner of Patents be, and he is hereby, directed to
4 renew, for the period of fourteen years, the letters patent
5 granted to Samuel K. Jennings, of the city of Baltimore, in
6 the year one thousand eight hundred and fourteen, for an
7 apparatus for the speedy generation, and convenient, prompt,
8 and agreeable application of heat to the human system ; and
9 that he embrace in said renewal of letters patent the im-
10 provement subsequently made by said Jennings in its mode
11 of application ; subject, however, to the rules and usages of
12 the Patent Office, and all the provisions, except as aforesaid,
13 of the act entitled " An act to promote the progress of the use-
14 ful arts," and all acts in addition and amendatory thereto.
